ILR team includes outstanding educators and researchers from both the academic and business sectors, contributing towards the overall professional and personal growth of the students.

ABOUT THE NATURE CLUB

The *Nature Club* is an initiative of ILR which aspires to be an incubator for new approaches on how law can best address the complex issues related to the environment. It enrolls members for the club and works for creating awareness among the students, institution staff & general public about the need for protection of natural habitat & sustainable development by adopting eco-friendly practices. It invites speakers to conduct a dialogue on environmental protection & organises relevant webinars, seminars, conferences & workshops.

ABOUT THE WEBINAR-CUM-QUIZ COMPETITION

The *Nature Club* is organising a National Webinar-Cum-Quiz Competition to commemorate '*International Plastic Bag Free Day*' on 3rd July, 2021 under the theme '**Reduce Recycle Restore Ecosystem - Save Earth**' Through this webinar we aim to spread awareness towards the environment issues that are faced by mankind due to indiscriminate use of plastic products. The prime objective of the webinar is to provide a common platform for the legal experts, academicians, researchers, and students to bring out, discuss & deliberate legal provisions on plastic bags, impact upon the environment, and sustainable development with plastic through innovations and other alternatives The quiz competition is not confined to the participation of law students rather it is open to all & would provide a unique platform to the students across the country to put their knowledge and quizzing instincts to test on crucial topics such as - how to reduce plastic use; how and by what means we can recycle plastic products & lower our dependency; sustainable development with plastic and various legislations governing the use of plastic & environmental issues.
